

PLUM

CLEANING & LIFESTYLE SUPPORT

BUY YOUR TIME BACK WITH PLUM!

PLUM of Penarth has been set up by Michela Bloomfield who is a mum of a young child and a local resident.

Since moving to Cardiff 6 years ago Michela has had a very successful people facing career in Cardiff City, thriving off the stress, deadlines and targets. When Michela returned to work after her maternity leave, whilst still thoroughly enjoying her job she lacked the one most important thing in her life. 'Precious time with her husband and child'

Hence the reason that she formed **PLUM** Lifestyle Support. Michela says "Plum is offering a service that I would have fully utilised when in employment. I am giving the hard working people of Penarth and Cardiff an opportunity to buy their precious time back and use it to enjoy living, by offering a bespoke service where their every day chores can be offloaded onto **PLUM**, giving our customers a shoulder to lean on in times of need".

Michela strongly believes in keeping the local businesses in business therefore all of the products and services required to run **PLUM** are bought and sourced locally where applicable. Michela also believes that everyone should do their bit to save the environment for our children and their children's future so where possible is using environmentally friendly cleaning products and recycles religiously.

To describe **PLUM** in a sentence: - **PLUM** provide a tailored lifestyle support service to help de-stress your life! This could involve anything from cleaning your home, laundry, de cluttering your house, grocery shopping, buying birthday presents, organise hotel or restaurant reservations whatever it takes to make life easier and allow you to buy your valuable time back.

If you would like to find out more or discuss buying your well earned time back call Michela on 02920 702902 or 07812 943507.
